

Secureworks Taegis MDR

Reduce your risk, protect your investments, and fill your talent gaps with powerful MDR options

Secureworks® offers a robust Managed Detection and Response (MDR) portfolio with options designed to deliver superior detection and unmatched response, via the open and extensible Taegis™ platform. Taegis fortifies your cyber defenses while delivering **an average ROI of more than 400%¹ via cost savings**, risk reduction, and productivity gains.

MDR Portfolio Tiers

Secureworks has three MDR tiers, designed to meet you where you are in your security journey:

<p>Taegis MDR</p> <p>Built on the Taegis XDR platform, Taegis MDR includes 24x7 threat monitoring, detection, investigation, and unlimited response, 1 full year of data retention, support for multiple EDR technologies, hundreds of integrations, and 90-second access to security analysts.</p>	<p>Taegis MDR Plus</p> <p>A more-tailored MDR solution for organizations with advanced security requirements, Taegis MDR Plus includes everything in Taegis MDR, along with additional capabilities to increase vigilance and improve cybersecurity resiliency.</p>	<p>Taegis MDR Enhanced</p> <p>MDR for organizations needing extended SOC capabilities for intelligent and rapid threat escalation, Taegis MDR Enhanced includes everything in Taegis MDR, along with additional investigation context across Taegis and other customer systems, phishing investigation, and governance.</p>
--	--	--

MDR Portfolio Add-Ons

Secureworks has three additional MDR offerings available to add on to any MDR tier:

	<p>Taegis MDR Elite</p> <p>Get a designated Secureworks threat hunting expert to perform proactive and iterative updates on your organization's targeted threat exposure.</p>
	<p>Taegis MDR for OT</p> <p>Delivers holistic monitoring and investigation of detected threats across IT and OT environments, backed by security experts specializing in operational technology.</p>
	<p>Secureworks Services for Taegis MDR</p> <p>Complement the core benefits of MDR with Service Units redeemable for proactive services that elevate your cybersecurity posture, bolster incident readiness and accelerate cyber resilience.</p>
