

CUSTOMER RELATIONSHIP AGREEMENT – US CHANNEL

BY ACCEPTING THIS CUSTOMER RELATIONSHIP AGREEMENT – US CHANNEL (“**CRA**” or “**AGREEMENT**”), YOU REPRESENT AND WARRANT THAT YOU HAVE AUTHORITY TO BIND THE INDIVIDUAL OR ENTITY IDENTIFIED IN THE REGISTRATION PROCESS FOR THE PRODUCTS. THE EFFECTIVE DATE OF THIS AGREEMENT IS THE EARLIER OF THE DATE YOU ACCEPT THIS AGREEMENT OR THE DATE YOU OR THE RESELLER (DEFINED BELOW) DELIVERS A TRANSACTION DOCUMENT TO SECUREWORKS FOR PRODUCTS (THE “**EFFECTIVE DATE**”).

This Agreement constitutes a legally binding agreement between the individual or entity identified on the Transaction Document that is not the Reseller (also referred to as “**You**” or “**Customer**”) and SecureWorks, Inc. (“**Secureworks**”). By using the Secureworks Product specified in the Transaction Document, you agree to be bound by this CRA and that you have read, understand and accept all of the terms and conditions of this Agreement. A detailed description of the MSS Services and Cloud Services is provided in the applicable service description and service level agreement (“**Service Description**”) available upon request from the Reseller and/or attached to the quote or other purchase documentation, whether or not signed, that specifies the Products (a “**Transaction Document**”). Please retain a copy of this Agreement for your records. Secureworks and Customer are collectively “the Parties” and each a “Party.”

1. Services, Equipment and Products.

- 1.1. Customer may order Products from the reseller identified in a Transaction Document (the “**Reseller**”), subject to the terms and conditions herein and any applicable Services Addenda, (i) managed security services (“**MSS Services**”), (ii) security risk consulting services (“**Consulting Services**”) and/or (iii) cloud-enabled security services (“**Cloud Services**”). The MSS Services, Consulting Services, Cloud Services, Equipment (as defined below) and any applicable third-party products and services are collectively referred to hereafter as the “**Services**”. Customer acknowledges and agrees that all Secureworks Services may not be available for purchase pursuant to a Reseller, and for such Services, Customer must order directly from Secureworks.
- 1.2. As further described in the applicable Services Addenda for Services purchased through a Transaction Document, Secureworks will provide Customer with access and use of software (in object code format only) (the “**Software**”), written directions and/or policies relating to the Services, which may be in paper or electronic format (the “**Documentation**”), and equipment or hardware (“**Equipment**”), (and, collectively with the Services, Software, and Equipment, the “**Products**”), or a combination thereof, as necessary for Customer to receive the Services, provided that equipment or hardware may be purchased by Customer pursuant to a Transaction Document (“**Customer Purchased Equipment**”).

2. Service Fees and Affiliates.

- 2.1. **Service Fees.** Your payment obligations in respect of the Products and Services are set forth in your agreement with your Reseller. Accordingly, no provision in any Services Addenda related to billing, invoicing, or automatic renewal shall apply to you
- 2.2. **Affiliates.** As used herein, the term “**Affiliate**”, with respect to a Party means any entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such Party. “Customer” shall include Customer’s Affiliate(s): (i) receiving the benefit of the Services through Customer’s purchase of the Services, or (ii) whose data is included, accessed or received by Secureworks in connection with the performance of the Services for Customer. With respect to Customer’s Affiliate(s), Customer hereby represents and warrants that: (A) Customer has obtained the necessary consent from each Customer Affiliate for Secureworks to access such Customer Affiliate’s networks and data in connection with providing the Services, and (B) each Customer Affiliate agrees to, and is hereby legally bound by, the terms of this CRA. The parties acknowledge and agree that Customer Affiliate(s) are not intended to be third-party beneficiaries to this CRA and shall have no direct claim against Secureworks hereunder. Customer shall be fully liable for any breach of the terms of this CRA by its Affiliate(s) receiving or having access to the Services hereunder.

For the purposes of either Party’s Affiliate(s) performing, receiving or purchasing Services hereunder, references to Secureworks and Customer herein shall be deemed references to such Party’s respective Affiliate(s).

3. Term.

- 3.1. **Term of CRA.** The term of this CRA shall commence on the Effective Date and shall continue until this CRA is terminated pursuant to the provisions hereof (“**Term**”).
- 3.2. **Term of Transaction Document(s).** The term for the Services will commence on the date specified on the applicable Transaction Document and continue for the period identified therein (“**Services Term**”) unless terminated earlier in accordance with the provisions hereof. In the event that the Services Term on any applicable Transaction Document expires and Services continue to be provided by Secureworks and received and used by Customer, the terms and conditions of this CRA and any applicable Addendum (as defined in Section 10.2) shall apply until the Services have been terminated.

4. Termination.

- 4.1. **Termination for Material Breach.** Either Party may terminate this CRA in the event that the other Party materially defaults in performing any obligation under this CRA and such default continues un-remedied for a period of thirty (30) days following written notice of default.
- 4.2. **Effects of Termination.** Termination or expiration of a Transaction Document shall not be construed to constitute termination of this CRA or any other active Transaction Document.

5. Proprietary Rights.

- 5.1. **Customer’s Proprietary Rights.** Customer represents and warrants that it has the necessary rights, power and authority to transmit Customer Data (as defined below) to Secureworks under this CRA and that Customer has and shall continue to fulfill all obligations as required to permit Secureworks

to carry out the terms hereof, including with respect to all applicable laws, regulations and other constraints applicable to Customer Data. As between Customer and Secureworks, Customer will own all right, title and interest in and to (i) any data provided by Customer and/or its Affiliate(s) to Secureworks and/or any such data accessed or used by Secureworks or transmitted by Customer and/or its Affiliate(s) to Secureworks or Secureworks Equipment in connection with Secureworks' provision of the Services, including, but not limited to, any such data included in any written or printed summaries, analyses or reports generated in connection with the Services (collectively, the "**Customer Data**"), (ii) all intellectual property, including patents, copyrights, trademarks, trade secrets and other proprietary information ("**IP**") of Customer that may be made available to Secureworks in the course of providing Services under this CRA, and (iii) all confidential or proprietary information of Customer or Customer Affiliates, including, but not limited to, Customer Data, Customer Reports (as defined in Section 5.3), and other Customer files, documentation and related materials, in each case under this clause (iii) obtained by Secureworks in connection with this CRA.

Customer grants to Secureworks a limited, non-exclusive license to use the Customer Data to perform the Services. Customer grants to Secureworks a limited, non-exclusive, perpetual, worldwide, irrevocable license to use and otherwise process Security Event Data during and after the term hereof to develop, enhance and/or improve its security services and the products and services it offers and provides to customers. "**Security Event Data**" means information collected during Secureworks' provision of Services related to security events. This CRA does not transfer or convey to Secureworks or any third Party any right, title or interest in or to the Customer Data or any associated IP rights, but only a limited right of use as granted in and revocable in accordance with this CRA and subject to the confidentiality obligations and requirements for as long as Secureworks has possession of such Security Event Data.

5.2. Secureworks' Proprietary Rights. As between Customer and Secureworks, Secureworks will own all right, title and interest in and to the Products and Services. This CRA does not transfer or convey to Customer or any third Party, any right, title or interest in or to the Products and Services or any associated IP rights, but only a limited right of use as granted in and revocable in accordance with this CRA. Secureworks agrees to transfer to Customer, all right, title and interest in and to any Customer Purchased Equipment, excluding any right, title or interest in and to the Software and any other Secureworks IP loaded onto such Customer Purchased Equipment. In addition, Customer agrees that Secureworks is the owner of all right, title and interest in all IP in any work, including, but not limited to, all inventions, methods, processes, and computer programs including any source code or object code, (and any enhancements and modifications made thereto) contained within the Services and/or Products (collectively, the "**Works**"), developed by Secureworks in connection with the performance of the Services hereunder and of general applicability across Secureworks' customer base, and Customer hereby assigns to Secureworks all right, title and interest in and to any copyrights that Customer may have in and to such Work; provided, however, that such Work shall not include Customer's Confidential Information (as defined in Section 6), Customer Data, Customer Reports (as defined in Section 5.3) or other information belonging, referencing, identifying or pertaining to Customer or Customer Affiliates. During the term of the Services, Secureworks grants to Customer a limited, non-exclusive license to use such Works solely for Customer to receive and use the Services for Customer's or its Affiliate's internal security purposes only. Any license to the Secureworks Products, Services or Works expires or terminates upon the expiration or termination of any individual Transaction Document and/or this CRA.

5.3. Customer Reports; No Reliance by Third Parties. Customer shall own all right, title and interest in and to any written summaries, reports, analyses, and findings or other documentation prepared uniquely and exclusively for Customer in connection with the Services and as specified in a Transaction Document (the "**Customer Reports**"). Secureworks disclaims all liability for any damages whatsoever to any unaffiliated third party arising from or related to its reliance on any Customer Report or any contents thereof.

6. Confidentiality.

6.1. Confidentiality. In the performance of the Services, Customer and Secureworks may have access to or be exposed to information of the other Party not generally known to the public, including, but not limited to software, product plans, marketing and sales information, customer lists, "know-how," or trade secrets which may be designated as being confidential or which, under the circumstances surrounding disclosure, ought to be treated as confidential (collectively, "**Confidential Information**"). Confidential Information may not be shared with third parties unless such disclosure is to agents and subcontractors on a "need-to-know" basis in connection with a Party's performance of its obligations under this CRA, and only if such personnel have agreed to treat such Confidential Information under terms at least as restrictive as those herein. The receiving Party will be responsible for any breach of this Section 6 by its employees, representatives, and agents and any third party to whom it discloses Confidential Information. Each Party agrees to take precautions to maintain the confidentiality of Confidential Information by using at least the same degree of care as such Party employs with respect to its own Confidential Information of a like-kind nature, but in no case less than a commercially reasonable standard of care. The foregoing shall not include information, which, (A) was known by one Party prior to its receipt from the other or is or becomes public knowledge without the fault of the recipient, (B) is received by the recipient from a source other than a Party to this CRA, (C) is independently developed by a Party without causing a breach of the terms hereunder, or (D) a Party is required to disclose in response to an order by a court or governmental agency, provided that advance notice of the disclosure is provided to other Party.

6.2. Security Procedures. Secureworks shall maintain reasonable and appropriate safeguards designed to (a) reasonably protect Customer Data in Secureworks' possession from unauthorized use, alteration, access or disclosure (a "**Security Breach**"); (b) detect and prevent against a Security Breach; and (c) ensure that Secureworks' employees and agents are trained to maintain the confidentiality and security of Customer Data in Secureworks' possession. Secureworks shall promptly notify Customer upon becoming aware of a confirmed Security Breach of Customer Data or Customer Confidential Information in Secureworks' possession or control.

6.3. Third-Party Intrusion. Secureworks shall not be liable for any breach of this Section 6 ("Confidentiality") resulting from a hack or intrusion by a third party (except any third-party subcontractor of Secureworks) into Customer's network or information technology systems unless the hack or intrusion was through endpoints or devices monitored by Secureworks and was caused directly by Secureworks' gross negligence or willful misconduct. For avoidance of doubt, Secureworks shall not be liable for any breach of this Section 6 resulting from a third-party hack or intrusion into any part of Customer's network, or any environment, software, hardware or operational technology, that Secureworks is not obligated to monitor pursuant to a Transaction Document.

6.4. Additional Addenda. If Secureworks is exposed to or has access to Protected Health Information ("**PHI**") in the performance of the Services, and such exposure or access is not incidental, the Business Associate Addendum set forth at <https://www.secureworks.com/baa-us> ("**BAA**") shall be incorporated herein by reference to provide Customer with the written assurances required by the Privacy Rule and the Security Rule established pursuant to the Health Insurance Portability and Accountability Act of 1996 ("**HIPAA**"). This CRA also incorporates the Data Protection Addendum set forth at <https://www.secureworks.com/dpa/dpa-us> ("**DPA**") when applicable Privacy Laws (as defined in the DPA) apply to Customer's use of the Services to process Personal Data (as defined in the DPA).

6.5. Duration. This Section 6 shall survive for three (3) years following any termination or expiration of this CRA; provided that with respect to any Confidential Information remaining in the receiving Party's possession following any termination or expiration of this CRA, the obligations under this

Section 6 shall survive for as long as such Confidential Information remains in such Party's possession. The confidentiality obligations as to "trade secrets" under applicable law will continue until such information ceases to constitute a "trade secret".

7. Warranties; Limitation of Liability.

7.1. Warranties. SECUREWORKS WARRANTS THAT: (I) ITS PERSONNEL ARE ADEQUATELY TRAINED AND COMPETENT TO PERFORM THE SERVICES, AND (II) THE SERVICES SHALL BE PERFORMED IN A PROFESSIONAL MANNER IN ACCORDANCE WITH THE APPLICABLE TRANSACTION DOCUMENT AND THIS CRA. EXCEPT AS EXPRESSLY STATED IN THIS SECTION 7.1, SECUREWORKS (INCLUDING ITS AFFILIATES, SUBCONTRACTORS AND AGENTS) AND EACH OF THEIR RESPECTIVE EMPLOYEES, DIRECTORS AND OFFICERS (COLLECTIVELY, THE "**SECUREWORKS PARTY(IES)**") MAKES NO EXPRESS OR IMPLIED WARRANTIES WITH RESPECT TO ANY OF THE PRODUCTS, SERVICES OR CUSTOMER REPORTS, INCLUDING BUT NOT LIMITED TO, ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SUITABILITY, OR NON-INFRINGEMENT. CUSTOMER UNDERSTANDS THAT SECUREWORKS' SERVICES DO NOT CONSTITUTE ANY GUARANTEE OR ASSURANCE THAT THE SECURITY OF CUSTOMER'S SYSTEMS, NETWORKS AND ASSETS CANNOT BE BREACHED OR ARE NOT AT RISK.

7.2. Limitation of Liability.

7.2.1. NEITHER THE SECUREWORKS PARTIES NOR CUSTOMER WILL BE LIABLE FOR ANY INCIDENTAL, INDIRECT, PUNITIVE, SPECIAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR IN CONNECTION WITH THIS CRA. THE SECUREWORKS PARTIES SHALL NOT BE LIABLE FOR ANY DAMAGES RELATING TO ANY PART OF CUSTOMER'S NETWORK, OR ANY ENVIRONMENT, SOFTWARE, HARDWARE OR OPERATIONAL TECHNOLOGY, THAT SECUREWORKS IS NOT OBLIGATED TO MONITOR PURSUANT TO A TRANSACTION DOCUMENT.

7.2.2. NEITHER THE SECUREWORKS PARTIES NOR CUSTOMER SHALL HAVE ANY LIABILITY FOR THE FOLLOWING: (A) LOSS OF REVENUE, INCOME, PROFIT, OR SAVINGS, (B) LOST OR CORRUPTED DATA, (C) LOSS OF BUSINESS OPPORTUNITY, OR (D) BUSINESS INTERRUPTION OR DOWNTIME.

7.2.3. EXCEPT FOR EACH PARTY'S INDEMNIFICATION OBLIGATIONS UNDER SECTIONS 8.1, 8.2 AND 8.3, THE SECUREWORKS' PARTIES' AND CUSTOMER'S RESPECTIVE AGGREGATE LIABILITY (WHETHER IN CONTRACT, TORT OR OTHERWISE) FOR ALL CLAIMS OF LIABILITY ARISING OUT OF OR IN CONNECTION WITH THIS CRA SHALL NOT EXCEED THE AMOUNTS PAID OR PAYABLE BY RESELLER FOR THE SERVICE(S) GIVING RISE TO SUCH CLAIM DURING THE PRIOR TWELVE (12) MONTH PERIOD.

7.2.4. The foregoing limitations, exclusions and disclaimers shall apply, regardless of whether the claim for such damages is based in contract, warranty, strict liability, negligence, and tort or otherwise. Insofar as applicable law prohibits any limitation herein, the parties agree that such limitation will be automatically modified, but only to the extent so as to make the limitation permitted to the fullest extent possible under such law. The parties agree that the limitations on liabilities set forth herein will apply notwithstanding the failure of essential purpose of any limited remedy and even if a Party has been advised of the possibility of such liabilities.

8. Indemnification. "**Indemnified Parties**" shall mean, in the case of Secureworks, Secureworks, its Affiliates and subcontractors, and each of their respective directors, officers, employees, contractors and agents and in the case of Customer, Customer, its Affiliates, and each of their respective directors, officers, employees, contractors and agents.

8.1. Secureworks Indemnity. Secureworks shall defend, indemnify and hold harmless the Customer Indemnified Parties from any damages, costs and liabilities, expenses (including reasonable and actual attorney's fees) ("**Damages**") actually incurred or finally adjudicated as to any third-party claim or action alleging that the Products, Services or any Customer Reports prepared or produced by Secureworks and delivered pursuant to this CRA infringe or misappropriate any third party's IP rights enforceable in the country(ies) in which the Products, Services or any Customer Reports are performed or prepared for Customer by Secureworks ("**Indemnified Claims**"). If an Indemnified Claim under this Section 8.1 occurs, or if Secureworks determines that an Indemnified Claim is likely to occur, Secureworks shall, at its option: (A) obtain a right for Customer to continue using such Products, Services or Customer Reports; (B) modify such Products, Services or Customer Reports to make them non-infringing; or (C) replace such Products, Services or Customer Reports with a non-infringing equivalent. If (A), (B) or (C) above are not reasonably available, either Party may, at its option, terminate this CRA and/or the relevant Transaction Document and Secureworks will refund to Reseller any pre-paid fees on a pro-rata basis for the allegedly infringing Products, Services or Customer Reports that have not been performed or provided. Notwithstanding the foregoing, Secureworks shall have no obligation under this Section 8.1 for any claim resulting or arising from: (A) modifications made to the Products, Services or Customer Reports that were not performed or provided by or on behalf of Secureworks; or (B) the combination, operation or use by Customer or anyone acting on Customer's behalf, of the Products, Services or Customer Reports in connection with a third-party product or service (the combination of which causes the infringement).

8.2. Customer Indemnity. Customer shall defend, indemnify and hold harmless the Secureworks Indemnified Parties from any Damages actually incurred or finally adjudicated as to (i) misappropriation of Secureworks' IP or violation of the use restrictions as to Secureworks' IP, (ii) any third party claim, action or allegation that the Customer Data infringes any IP rights enforceable in the country(ies) where the Customer Data is accessed, provided to or received by Secureworks or was improperly provided to Secureworks in violation of any person's rights, Customer's privacy policies or applicable laws (or regulations promulgated thereunder), and (iii) any claim, action or allegation by Customer Affiliates arising from or relating to the Services.

8.3. Mutual General Indemnity. Each Party agrees to defend, indemnify and hold harmless the other Party from any third-Party claim or action (i) for personal bodily injuries, including death, or tangible property damage resulting from the indemnifying Party's gross negligence or willful misconduct, (as to which the exclusions and limitations of liability set out in Section 7 shall not apply) and (ii) relating to the indemnifying Party's violation or alleged violation of export laws.

8.4. Indemnification Procedures. The Indemnified Party will (i) promptly notify the indemnifying Party in writing of any claim, suit or proceeding for which indemnity is claimed, provided that failure to so notify will not remove the indemnifying Party's obligation except to the extent it is prejudiced thereby, and (ii) allow the indemnifying Party to solely control the defense of any claim, suit or proceeding and all negotiations for settlement. In no event may either Party enter into any third-Party agreement which would in any manner whatsoever affect the rights of the other Party or bind the other Party in any manner to such third party, without the prior written consent of the other Party.

This Section 8 states each Party's exclusive remedies for any third-Party claim or action, and nothing in this CRA or elsewhere will obligate either Party to provide any greater indemnity to the other.

9. Export. Secureworks and Customer acknowledges that Products, Customer Purchased Equipment and/or Services provided under this CRA may incorporate encryption, functionality, and are subject to the customs and export control laws and regulations of the United States and other countries to which the Products, Customer Purchased Equipment and/or Services are delivered. Each Party agrees to comply with all customs and export control laws and regulations of the United States and other countries to which the Products, Customer Purchased Equipment and/or Services are delivered applicable to such Party in the course of performance of its obligations. This Section 9 shall apply notwithstanding any other terms of this CRA or any Transaction Document issued hereunder, and shall survive any expiration or termination of this CRA.

9.1. Secureworks Responsibilities. Secureworks is responsible for ensuring that the delivery of Products and any Customer Purchased Equipment to Customer is in compliance with U.S. export regulations, including by applying for and obtaining any required U.S. export licenses. Secureworks' acceptance of any order for Products and any Customer Purchased Equipment is contingent upon the issuance of any export license required by the U.S. Government. Secureworks will not be liable for delays or failure to deliver Products and any Customer Purchased Equipment resulting from the inability to obtain such license.

9.2. Customer Responsibilities. Customer agrees to comply with, and to cause and require its Affiliates to comply with, all applicable U.S. export regulations governing the retransfer and use of the Products and any Customer Purchased Equipment purchased from Secureworks, and neither Customer nor its Affiliates will transfer or re-export the Products without written permission from Secureworks. Customer further agrees that it and its Affiliates are solely responsible for compliance with the applicable laws, rules and regulations governing the importation and use of the Products and any Customer Purchased Equipment in the countries to which Products or any Customer Purchased Equipment will be delivered, including, but not limited to, by making any required customs entry or declaration, paying all duties, taxes and fees owed as a result of the importation or use of Products and any Customer Purchased Equipment by Customer, and obtaining all necessary licenses, permits or other authorizations, including those required under regulations governing the importation and use of encryption products.

9.3. Cooperation. Customer agrees to cooperate, and to cause and require its Affiliates to cooperate, in providing the information necessary for Secureworks to apply for any required U.S. export licenses. Secureworks agrees to cooperate with Customer and Customer Affiliates by providing the information necessary for Customer or Customer Affiliates to apply for any required licenses, permits or other authorizations in connection with the importation and use of the Products and Customer Purchased Equipment. Notwithstanding any terms in any Transaction Document, under no circumstances shall Secureworks be required to provide any source code, or proprietary information in connection with the pursuit of any license, permit or other authorization to Customer, Customer Affiliates, or any government authority.

9.4. OFAC Warranty. Each Party warrants that neither it, nor any of its Affiliates nor any of its employees, officers or directors, nor to the knowledge of the Party, any agent, or other person acting on its behalf (i) has been or is designated on the Specially Designated Nationals and Blocked Persons List maintained by the Office of Foreign Assets Control of the United States Department of the Treasury ("**OFAC**"), or, to the extent applicable, any similar list of sanctioned persons issued by the United Nations Security Council, the European Union, Her Majesty's Treasury or any other relevant governmental authority administering sanctions, including the U.S. Department of State, (ii) is a national or citizen of, organized under the laws of, or resident or operating in any country or territory which is itself the subject of country-wide or territory-wide sanctions, including, but not limited to, as of the date of this CRA, Iran, Cuba, Syria, Sudan, Crimea Region of the Ukraine, and North Korea, (iii) is a Person owned or controlled by any Persons described in clauses (i) and/or (ii) of this sentence, or (iv) is a person identified on the United States Department of Commerce, Bureau of Industry and Security's "Denied Persons List" or "Entity List. Each Party agrees that it will promptly notify the other Party in writing if the notifying Party becomes aware of any changes to this warranty or if to the notifying Party's knowledge any change is threatened. In such event, the notified Party shall have the ability to terminate this CRA without affording the notifying Party an opportunity to cure.

10. Important Additional Terms.

10.1. Independent Contractor Relationship; No Publicity; Assignment; Subcontracting. The parties are independent contractors. Neither Party will have any rights, power or authority to act or create an obligation, express or implied, on behalf of another Party except as specified in this CRA.
